

# MASON SQUARE CHILDREN'S PROGRAMMING

765 State Street, (413) 263-6853

January-March  
2012

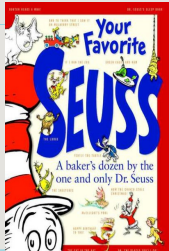

## School Age

### CHINESE NEW YEAR! Celebrate with us this January!

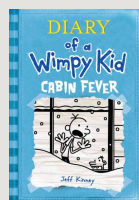

Try your luck at our Chinese auction! Read a book or a book chapter, complete the scavenger hunt, or complete the craft to earn a raffle ticket. **Celebration runs from January 3-January 28.** Drop by during open hours to participate. *Ages 5-18.*

**VALENTINES FOR VETS:** *January 17 through February 8.* Want to brighten someone's day? Drop in to the Children's area during open hours and make a Valentine for one of our country's veterans. *Ages 3+*

**DR. SEUSS'S BIRTHDAY!** Imagine! He'd be 108 years old this year! Help us celebrate by rearranging some giant Seuss words to make your own story. Drop into the Children's area during open hours to participate. *For ages 5-12. February 29 through March 3.*

**SCAVENGER HUNTS:** It's a scavenger hunt! Come to the Children's Room and pick up your clue sheet. Read the clues and find the answers hidden around the Children's Room. Return your sheet to the reference desk and claim your prize! **Drop-in** anytime during open hours to participate. *For ages 5-12. Join us December 23 through 30, and February 21 through 24.*

**CABIN FEVER! Diary of a Wimpy Kid** **Thursday, March 22, 4:30-5:30 p.m.** Have you got Cabin Fever? Do you love The Diary of a Wimpy Kid? Join us in the Children's area and participate in DWK activities to help shake off those Doldrums! *Ages 6-12.*

## MASON SQUARE ADULT PROGRAMMING

765 State Street, (413) 263-6853

January-March  
2012

### CHECK OUT FOR CHOCOLATE *January 25 through February 10.*

Earn a raffle ticket for each book you check out between January 25 and February 10. Winner receives a box of chocolates! Drawing will be held on February 15.

## Computer Classes

### PRE-BASICS: WORKING WITH THE MOUSE

Brand new to computers? Want to take a class, but afraid you can't keep up? Join us for this first-step session and learn how to use the most important part of the computer—the mouse! Registration required. Class size limited to 4. Call us at (413) 263-6853 or stop by the branch to register. *Led by Ted.*

*Friday, February 10, 2-3 pm*  
*Thursday, March 15, 6-7 pm*

### COMPUTER BASICS: MASTERED THE MOUSE?

Learn the basic parts of a Windows computer including saving and storing files, using common programs, and getting on the web. Familiarity with a mouse will help you keep up in this fast-paced workshop. Registration is required. Class size limited to 4. Call us at (413) 263-6853 or stop by the branch to sign up. *Led by Christin.*

*Thursday, February 23, 6-7:30 pm*  
*Friday, March 23, 1:30-3:00 pm*
