Beanstack is SCL's web-based Summer Reading Club software. It allows you to log the days that you have read toward earning a free book, and submit reviews toward our prize drawings!

Getting Started

1. Go to: <https://springfieldlibrary.beanstack.org>
2. Click on the Register an Individual or Family button

3. It will ask you if you want to register yourself or a child
 - Beanstack allows families to be linked together, so that all family members can be accessed with one login
